

Framework agreement 2022

Version for demonstration purposes. Generated for the SDWorx hackathon.

1. Scope of services

SDWorx provides payroll processing, time and attendance and HR administration services to ArcelorMittal Europe and its affiliated entities listed in Annex A.

Services are delivered from the SDWorx service centres in Antwerp, Utrecht and Berlin.

2. Service levels

Payroll runs are completed within 3 business days after the agreed cutoff. Corrections are processed in a supplementary run.

Response time on payroll-impacting questions: 4 business hours. Resolution time: 2 business days.

3. Data protection

Both parties act in accordance with the GDPR. A data processing agreement is attached as Annex B. Personal data is retained for 10 years after the end of employment, as required by law.

4. Fees and invoicing

Fees per payslip and per service line are listed in the price schedule (Annex C) and indexed yearly on 1 January.

5. Term

This agreement enters into force on the signature date for an initial term of 3 years and is renewed tacitly for successive 1-year periods.
